Newsletter of the Oklahoma Z Car Club • 7513 South 67th East Ave, TULSA, OK 74133

Fellow Oklahoma Z Car members:

We had **great meetings** at both Tulsa and OKC the past month. According to Bill Bush, membership director, we have 86 current, due paying members. The total members attend both meeting was 41 members, **we have almost 50% of our members attending meetings.**

The OKC area OKZCC will be meeting in a new location thanks to Chris Howe, VP. We will be meeting at the Santa Fe Steak house of I-40 and Meridian (see direction on the cover page).

The OKZCC Officers and former officers met last month to plan the events for 2004. The events planned are not set in stone and could change, **always check the newsletter (& the new message board)** for the event planned for the month. We have some great events planned, the popular Z car shows, the event to Branson and National Convention are just a few of this years events. The VPs, Terry and Chris will be planning and hosting each event. **If you are interested in helping in an event, please contact them.**

New business card will be here for the February meeting. **Our goal this year is to increase our membership.** **If you have not paid your dues please do so as soon as possible.** Bill Bush, membership director, is doing a great job maintaining our membership roll and getting membership card to members in a timely manner. Put a business card on all Z car and if possible talk to

Z owners, tell them the benefits of being a Z car club member.

What are some of the benefits of being a member?

Discounts on parts, locating the hard to find parts, help in maintaining your Z car, but really the best benefit is meeting and talking to other Z car lovers. This is what makes us a club.

>>**ZCCA news**, "Mad Mike" Taylor is not running for Director of the ZCCA, needless to say, many people will be running for this office. Before the Convention, I will get all the info I can on the people wanting to fill this important position. We as a club will decide whom we think will be the best person, and I will vote for the club. This is not the OKZCC president to decide, but the clubs. The leadership of the ZCCA is very important to all Z car clubs and I will do my best to keep us all informed.

Event for February will be lunch at Stroud, OK. The meeting place is not final and will be determined before the next club meetings. Each VP will plan a time and a route to Stroud where we can all met for lunch and of course talk about one of my favorite subjects, Z cars.

Terry Kellam has designed T-shirts for the 10th OKZCC Anniversary. We will be ordering shirts at the next meeting. We would also like to get a count on the number of shirts sizes we need. Please attend so you may purchase an OKZCC 10th anniversary T-shirt. Limited edition!

FEBRUARY EVENT

Cruise on over to Stroud for lunch with friends.

We'll be planning a scenic route for a short cruise that ends with lunch. The eating location has not been finalized, but will be announced at the Feb meeting. Let's kick off our event season with a sunny* cruise!

**sunny weather not guaranteed, this is Oklahoma!*

MEMBERSHIP DIRECTORY

Next month's issue of the Z Navigator will contain a membership directory. The directory will actually be part of the newsletter. We're doing it this way to save postage costs.

On the membership application, there is a box to check if you do not want your membership information, (name, address, phone number, etc.) published in the membership directory. I have no applications from current members who have checked the box, so **I will assume that publishing the information is OK with all of our members**. We will mail all of the March newsletters, to avoid publishing the information on the internet, where it may

find its way into the hands of non-members. Each month, we mail newsletters to other clubs, and other non-members. The membership information **WILL NOT** be mailed to any of these clubs or persons. Only members will receive your information.

If, after these assurances, you still do not want your information included in the directory, please call, mail, or e-mail and tell me not to include your information before March 1st.
